

Alumni Unite: An Appeal to Empower Bright Minds

Dear Esteemed Alumni,

Greetings from A.D. Patel Institute of Technology (ADIT) ,Alumni Association,

As ADIT proudly celebrates **25 years of academic excellence and innovation**, we take this opportunity to express our heartfelt gratitude for your continued association and support. Your achievements across industries, academia, entrepreneurship, and public service are a source of immense pride for your alma mater.

Each one of us has benefited from the opportunities and guidance provided by ADIT. Today, many talented and deserving students aspire to achieve similar success but face financial and resource-related challenges. Together, we have the opportunity to make a meaningful difference in their lives.

We are pleased to launch the **ADIT Alumni Support Initiative**, aimed at assisting meritorious and financially deserving students while strengthening the academic and research ecosystem of the Institute. A dedicated committee will ensure that all contributions are utilized with complete transparency, accountability, and fairness.

Your support—whether financial, academic, technical, or professional—will help shape future engineers, innovators, entrepreneurs, and leaders. Every contribution, irrespective of its size, becomes an investment in the future of our students and society.
