

ADIT PRESENTS

INTERDISCIPLINARY RESEARCH SYMPOSIUM

4th April, 2026

In Collaboration With:

Jointly Organized By:

Department of Computer Engineering & Department of Food Processing & Technology

A. D. Patel Institute of Technology
Faculty of Engineering & Technology
The Charutar Vidya Mandal (CVM) University
GIDC Phase – IV, P.O. BOX No: 052, V.U.Nagar,
New V. V. Nagar-388121, Anand, Gujarat, India.

ABOUT CVM UNIVERSITY

Charutar Vidya Mandal University (CVMU) established in the year 2019 as a largest self-financed state private university with a prime objective of imparting quality education for current and future needs of individual, society and the Nation. The CVM University offers programs in more than nine academic disciplines. The initial size of the CVM University is largest among all private universities of Gujarat and well-qualified faculty members and non-academic staff members are the part of the CVM University.

ABOUT INSTITUTE

A. D. Patel Institute of Technology, New V V Nagar is a constituent college of CVM University, Vallabh Vidyanagar, Gujarat. This institute was established in the year 2000 to impart quality education in the emerging area of engineering and technology. ADIT is a self financed engineering college spread in an area of 40 acres of land behind the industrial set-up of Vitthal Udyognagar. With its vibrant greenery and spacious playgrounds, the campus offers a beautiful and refreshing environment for students. A. D. Patel Institute of Technology boasts a great concourse of state-of-the-art infrastructure, highly qualified academicians, a holistic approach to education, and a techno-scientific ambiance.

ABOUT EVENT

The Interdisciplinary Research Symposium – ADIT is a scholarly platform that promotes innovation, research excellence, and interdisciplinary collaboration among postgraduate students, PhD scholars, and faculty. It brings together researchers from diverse fields to share ideas, present research findings, and explore emerging cross-disciplinary trends. The event features poster presentations by PG students, doctoral researchers, and faculty, fostering academic exchange and constructive feedback. Keynote sessions will highlight contemporary research methodologies, interdisciplinary applications, and future directions. The symposium aims to strengthen ADIT's research ecosystem, encourage collaboration, and inspire innovation aligned with societal and technological needs.

BRIEF OBJECTIVES

The objective of this Symposium is to provide a common platform for PG students, PhD scholars, and faculty to present and discuss their research work. It also aims to promote interdisciplinary research culture and disseminate knowledge on emerging research trends through keynote lectures.

RELEVANCE TO CURRICULUM/RESEARCH/INDUSTRY

The Interdisciplinary Research Symposium – ADIT is closely aligned with the academic curriculum that encourages postgraduate students and research scholars to apply theoretical knowledge to real-world research problems. Poster presentations and expert sessions enhance learning beyond the classroom by strengthening research methodology, critical thinking, and technical communication skills. Additionally, the Industry expert interactions connect academic research with current technological needs and practical challenges, enhance industry relevance, and support innovation and employability.

TENTATIVE ACTIVITY PLANNING

Inaugral	: 9:30 AM – 10:00 AM
Keynote Address	: 10:00 AM – 11:00 AM
Poster Presentation	: 11:00 AM – 1:00 PM
Panel Discussion	: 2:00 PM – 4:00 PM
Valedictory Session	: 4:00 PM – 4:30 PM

TARGET AUDIENCE

- Researchers & Academicians UG
- PG and PhD Scholars
- Industry Professionals

WHY YOU SHOULD JOIN

- Gain valuable insights from an expert keynote session on emerging interdisciplinary research.
- Present your research during the poster competition and compete for certificates and exciting prizes.
- Receive constructive feedback from academicians and fellow researchers to strengthen your work.
- Engage in dynamic panel discussions addressing real-world challenges through collaboration.
- Network with scholars, professionals, and innovators from diverse disciplines.
- Enhance your academic profile and boost your research visibility.

coordinator.cs@adit.ac.in

Chief Patron

Er. Bhikhubhai B. Patel, President, CVMU & Chairman, CVM

Advisory Committee

Prof. (Dr.) Indrajit N. Patel
Provost, CVM University

Prof. (Dr.) Sandeep Walia
Registrar, CVM University

Prof. (Dr.) Amit P. Ganatra
Director (R&D) & Dean,
Faculty of Engineering & Technology,
CVM University

Program Chair

Prof. (Dr.) Vishal N. Singh
Principal, ADIT

Program Coordinators

Dr. Dheeraj Kumar Singh
Associate Professor,
Computer Engineering Department

Dr. Kshitiz Kumar
Assistant Professor,
Food Processing and Technology Department
