

SSIP

1. Event Name:	Expert Talk on ‘HACCP Theory & Applications in Food Industry A Case Study’
2. Date:	22 nd January, 2026
3. Venue/ Mode:	ADIT Auditorium
4. No of Participants:	195
5. Speakers Name	Mr. Nidasanametla Lakshmi Bayanna Pantulu, International Food Safety Expert, Dairying Through Cooperatives Project at NDDDB, Anand
6. About Event:	Dr. Vishal Singh (Principal, ADIT), Dr. A.S. Kulkarni (Head, FPT) and FPT faculty members along with student participants were present in the event. Dr. Vishal Singh welcomed the speaker Mr. Pantulu by offering floral welcome. Food safety in processing is important for protecting public health by preventing harmful microbes, and chemicals from causing illnesses (like diarrhea, cancer), safeguarding mass population. Food safety facilitates to build up consumer trust, and brand value in the market. It enables international trade by meeting global standards. HACCP (Hazard Analysis & Critical Control Points) is the path to achieve food safety. Participants will understand the concept of food safety and HACCP along with its applications in food industry.
7.Outcome of Event:	Speaker elaborated the food safety concept and its importance in food industries. He explained product recall, product withdrawal, Quality control, Quality assurance and Management, required food safety culture elements namely pre-requisite programmes, HACCP principles, procedures, GMP, GHP and required documents. Briefly he presented HACCP case study of coated cereals. Student participants get acquainted with HACCP concept theory to practical execution.

To,
Principal,
ADIT

(Through: SSIP Coordinator, ADIT)

Subject: Proposal for ADIT SSIP cell sponsored Department of Food Processing Technology
Expert Talk on HACCP Theory & Applications in Food Industry a case study

Respected Sir,

Department of Food Processing Technology proposes Expert Talk on HACCP Theory & Applications in Food Industry a case study

Expert Talk Title: Expert Talk on HACCP Theory & Applications in Food Industry a case study

Rationale: Consumers are demanding more nutritious and safe food. Food Industries are striving for the manufacturing of food product with enhanced food safety. Participants will be acquainted with the concept of food safety and HACCP.

Duration : 2 hours

Number of Participants : 100 Nos. of students

Venue : ADIT Auditorium

Workshop Schedule : Expert talk on 22nd January, 2026, Time 10 AM to 12 Noon

Budget:

Heads	Amount (Rs.)
1. Resource Person Remuneration (Rs. 1000/- per session)	2000.00
2. Flower Bouquet, Memento	1000.00
3. Snacks & Tea at Breaks	1700.00
Total	4700.00 (Rs. Four Thousand Seven Hundred Only)

20/1/26
Dr. Pravin M. Ganorkar
SSIP Process Member,
Dept of FPT

20/01/26

21st January, 2026

To,

Mr. Nidasanametla Lakshmi Bayanna Pantulu,
International Food Safety Expert,
Dairying Through Cooperatives Project at NDDDB,
Anand

Subject: Invitation for Expert talk.....

Dear Sir,

We are pleased to convey you that Department of Food Processing Technology, ADIT is organizing SSIP (Student Start-up & Innovation Policy Centre, ADIT) sponsored Expert Talk entitled as "HACCP Theory & Applications in Food Industry a case study" in collaboration with AFST(I), Vidyanagar Chapter. The Expert Talk session is scheduled on **22nd January, 2026 at 10.00 AM**. The expected audience for the event is undergraduate and postgraduate students of Food Processing Technology Department. Our goal is to bring together bright minds to give talks that are idea-focused, and at the same time foster learning, inspiration and provoke conversations and innovations that matter. The objective of the event is to create awareness among students about Food Safety and HACCP.

Looking to your expertise, we are pleased to invite you as Expert speaker for topic entitled as 'HACCP Theory & Applications in Food Industry a case study'. Student participants will be definitely get benefitted from your words of wisdom. Please, do not hesitate to contact me in case of any queries. A word of confirmation will be appreciated.

Looking forward to welcome you at our Institute.

Best regards,

Dr. Pravin Ganorkar
SSIP Dept. Co-ordinator,
Dept. of Food Processing Technology

Dr. Anant S. Kulkarni,
Head,
Dept. of Food Processing Technology
